A FAMILY LEGACY SINCE 2000

Since 2000, Shakir Mandap Decorator and Son has helped families bring their celebrations to life. Founded by Late Md. Shakir Ansari, the business built its reputation on dependable work, personal attention and an understanding of wedding traditions.

Following his father's passing in 2025, Amaan Shakir Ansari took charge as Owner & Event Director. He leads the team, develops its venues and services, and carries the family business forward across Maharashtra.

Weddings are our speciality. From stage decoration and entrance gates to floral walkways, seating and complete venue styling, we plan each setup around your celebration. We also work on corporate functions, festivals, launches, annual functions, sports events, music programmes and award ceremonies.
